Sir:

**INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(b)**

Pursuant to 37 C.F.R. §§1.56 and 1.97(b), applicants bring to the Examiner's attention the document listed on attached Form PTO/SB/08 and cited in the international search report. A copy of the listed foreign patent document is attached. Applicants respectfully request that the Examiner consider the document listed on attached Form PTO/SB/08 and indicate that it was considered by making an appropriate notation on this form.

This Information Disclosure Statement is being filed with the above-referenced application.

The following is listed on the accompanying PTO/SB/08 and is in a non-English language:

1. Japanese Patent Application No. JP 3-243243.

In lieu of a statement of relevance or the translation of the non-English document, enclosed is an English-language international search report from the Japanese Patent Office in the PCT international application, from which this national phase U.S. application is derived, citing this document and setting forth the relevance thereof.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed document are material or constitute "prior art." If the Examiner applies any of the document as prior art against any claim in the application and applicants determine that the cited document do not constitute "prior art" under United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such document. Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should one or more of the document be applied against the claims of the present application.
